

Amanda Johnson

Operations Director

Amanda Johnson is a CAPS certified sommelier and WSET Diploma graduate. Amanda's love of wine started early growing up on a vineyard in northern Victoria, Australia and spending her formative years honing her viticultural skills. She then completed a Bachelor of Commerce at Melbourne University and a subsequent foray into a Masters of Viticulture at Monash University.

With her move to Canada in 2006 came a switch to the sommelier side working her way through George Brown College and the CAPS program. Amanda has recently worked as a sommelier at Blue Blood Restaurant in Casa Loma whilst also assisting in the coordination of both educational and social wine events. In her own words "Wine is one of my true pleasures in life. Everything about it intrigues me and I want to share this interest and appreciation with all around me".
